Add or Remove Page Breaks

To insert a *page break*, simply hover your mouse in between two elements where you wish to split your page and click the **Page Break** button.

I. What is your first name?							 ✓ Edit
	INSERT:	C Question	🎦 Text / Media	Action		ID: 2	
This question has answer validation					Split this page here		🖋 Edit
Must be numeric							↔ Move
2. What is your age?							쉽 Copy X Remove
						ID: 3	
		• ••	Text/Media				

In order to remove page breaks, you will want to click the **Merge Pages** button in between the two pages you want to merge. If you're having trouble finding this option, try refreshing your page.
