

Purchase Panel Responses

Panel Request Form

Do you need to purchase responses to your survey that are targeted to age, gender, region or profession? No problem, we can help connect you with the right panel company for your needs. We work with the most reputable panel companies in the industry to connect you with over 7 million potential respondents in 50 different countries! Generally, we will get back to you within several business hours, sometimes even sooner (we are in Boulder, Colorado which is Mountain Time). The panel expert will be your point of contact and will assist you with the additional steps needed to finish out the build of your survey, the billing of your order and finally, the delivery of respondents!

Need to make a cost estimate?

The typical price for responses from a panel is between \$3-6/response. With some audiences it might go as high as \$10/response.

Already have a panel provider selected? Check out the [Set Up Your Own Panel Integration](#) tutorial.
