

Log In Using Social Media Account

You can no longer sign up for a Alchemer account using a social media account.

- As of 4/11/18, logging in via Twitter, Facebook, and LinkedIn has been deprecated.
- As of 8/6/19, logging in via Google has been deprecated.

If you previously logged in via one of these services, use the [Forgot your password](#) link on the login page to reset your password and log in with your email address going forward.
