

Alchemer Account ID (CID)

When interacting with Alchemer staff, you may be asked to provide your Account ID number (often referred to as your *CID*). This number is available to Account Administrator users via [Account > Summary](#).

The screenshot shows the Alchemer Account > Summary page. The left sidebar contains navigation items: Projects, Audience, Design Library, Research Library, Integrations, Account (with a red '1' badge), Summary (with a red '2' badge), Settings, and User Management. The main content area is titled 'Account > Summary' and includes a light blue banner with an 'Upgrade' button. Below this are two main sections: 'Your Account' and 'Projects'.
