You can access the Alchemer login page at https://app.alchemer.com/login/. You will log in with the email address/password combination that you signed up with, your Alchemer Account Alias (Single Sign On), or Social Account*. We recommend bookmarking this link for easy access down the road.

*Not all users will have access to Social Logins (feature coming soon!)

You can also log in via the Alchemer homepage by clicking the **Login** button in the upper right. Don't remember your password? Click the **Don't remember your password?** link and provide your email to receive a password reset link in your inbox.
