

Alchemer Release Notes: December 19, 2023

Alchemer Survey

Improvements

[Update] – Launched five new Alchemer Workflow initiators. Alchemer Workflow customers can now initiate Workflows off of events in BigCommerce, Marketo, Microsoft Dynamics 365, PeopleSoft, and WorkDay. [Learn more.](#)

Fixes

[Fix] - Survey Response GET list calls in the V4 API, for "total_pages" and 'total_count', now function as expected.
