

How to Export Data From Alchemer Pulse

You can easily export feedback, reports and dashboards from within Alchemer Pulse to either PDF, CSV or PNG format.

- **CSV:** After clicking Export, you'll receive a download of the file instantly.
- **PDF & PNG:** After clicking Export, Alchemer Pulse will process your export and you'll receive a download link via email.

Feedback

Click on the three dots in the right hand corner of the reports view, and select either **Export to PDF, PNG, or CSV.**

Dashboards

Click on the three dots in the top right-hand corner of the dashboards view, and select **Export to PDF.**

Cute but see through/not for tall girls-Super cute print and fits really well but is a tad see through! As lo underneath though it's fine. Also be careful bc ChatterStyle skirts tend to be on the shorter side!!
