Alchemer Dashboard Permissions Overview

Alchemer Dashboard is currently waitlist only. Visit this page to learn more about Dashboard or join the waitlist!

The chart below describes how licenses map to access and capabilities in Alchemer Dashboard. Please contact us if you have questions about licensing.

For Alchemer Dashboard there are two license types.

- Consumer
- Creator

The features available for each license type depend on whether you've purchased the **Standard Dashboard** or the **Advanced Dashboard**.

How licenses map to Dashboard access

Consumer License Types

+ Collaborator

Creator License Types

+ Full Access
+ Professional

Capabilities	"Standard" Dashboard		"Advanced" Dashboard	
	Consumer	Creator	Consumer	Creator
